TOEIC®

Know English. Know Success.

SPEAKING AND WRITING TESTS

Get the competitive advantage you need in today's global job market

Take the English tests that can help you get the job you want

Today, more than ever, employers who do global business hire people who can communicate effectively in English. The TOEIC® Speaking and Writing tests — recognized by some of the world's major global organizations — can give you the competitive advantage you need to get the job you want.

The TOEIC Speaking and Writing tests are designed to measure the English skills needed to interact effectively in an international environment. Nonnative English speakers around the world take the tests to advance their careers.

Strengthen your credentials

Add TOEIC test scores to your résumé to strengthen your credentials and help you stand out from the competition. You can take the TOEIC Speaking and Writing tests in combination with the TOEIC® Listening and Reading test to demonstrate all four communication skills, or you can start by taking the TOEIC Speaking test or TOEIC Writing test and build from there.

The TOEIC Speaking and Writing tests can help you get ahead — in the classroom or on the job

Whether you are a student preparing to enter the workforce, a job seeker or an employee, TOEIC test scores can help you achieve your career goals.

Who takes the tests?	Why take the tests?
Students in English-language learning programs	To prepare for the workforce – you can track your progress and show how much your skills have improved
Job candidates entering the workforce or searching for a new position	To get the job you want – you can enhance your résumé to attract potential employers
Employees seeking growth opportunities	To advance your career – you can qualify for a promotion or prestigious international assignment

Next Test Dates are November 20 and January 22

About the test—what to expect

The TOEIC Speaking and Writing tests measure how well you interact with others using workplace English. The questions are based on real-life situations and do not require any specialized knowledge.
