

# Conversation circle

Do these questions sound familiar:

- Does your child's school place emphasis on conversation skills?
- Does your child have good pronunciation in English?
- Is your child a shy public speaker?
- Want to build and improve your child's self-esteem?

Public  
Speaking

Creative Thinking

Positive Attitude

Schools do not provide enough time and effort for children to practice their English outside the classroom. At AMIDEAST we can help your kids develop their pronunciation skills by practicing their communicative English through integration of life skills enrichment and development.
