

The First Step toward English-language Success

The ability to communicate in English has become essential for millions of individuals whose native language is not English. This requires tools to develop and assess English-language learning at every level of proficiency. And the TOEIC Bridge™ test is the best place to start.

Designed to measure the emerging everyday English proficiency of beginning to lower-intermediate learners, the TOEIC Bridge test is:

- Ideal for baseline evaluation of listening and reading skills
- Unequaled for reliability, validity and fairness
- Affordable, convenient and easy to administer
- Based on more than 40 years of English-assessment experience at ETS
- Mapped to the Common European Framework through a rigorous standard-setting process
- The perfect stepping stone to the TOEIC® or TOEFL® test

Language schools, colleges, universities, government agencies and multinational corporations use the TOEIC Bridge test to:

- Measure the effectiveness of programs
- Place learners at the appropriate level within a program
- Establish language-learning goals and monitor progress
- Focus instruction on areas for improvement
- Determine readiness for academic or workplace success
