

Using Your Sample Code for the TOEIC Bridge Online test

Provided by AMIDEAST

June 2020

1. Get Started

Before the test, you must use a *Sample Code* to check your computer setup.

You will not be allowed to test unless you have successfully used your code!

IMPORTANT

2. On your computer, go to <http://ets.toeicbridgeonline.com/>

It will look like this

3. Open the email you received with your Sample Code.

Type your Sample Code into the box under "Authorization Key" and hit Enter.

4. You will be asked to enter your code again. Then click Enter.

5. Click
“Continue” on
the next screen.

Don't worry!
This is not a real
test, only a
check that your
computer
during the test.

7. Read the Test Center Regulations, but note that these rules were written for in-person testing, so they may not all apply. Click "Continue."

Test Center Regulations

You should have nothing on your computer table except your identification; put everything else under the table. All personal electronic devices should be turned off and put away. Watch alarms must also be turned off. You may not eat, drink, or use tobacco during the test. The official time will be kept by the computer. The administrator is authorized to dismiss you from the test session, and/or your scores may be canceled if you fail to follow directions or for other actions such as, but not limited to, the following. ETS will be notified of the action taken.

- attempting to take the test for someone else or having someone take the test for you
- failing to provide acceptable identification
- obtaining improper access to the test, or a part of the test, or information about the test
- using any type of communication device during the test session or during breaks
- using any aids in connection with the test, such as mechanical pencils, pens, pagers, beepers, calculators, watch calculators, books, pamphlets, notes, rulers, highlighter pens, stereos or radios with headphones, cell phones, watch alarms, stop watches, dictionaries, translators, and any hand-held electronic or photographic devices
- creating a disturbance
- attempting to give or receive assistance, or otherwise communicate, in any form, with another person about the test during the test session
- attempting to remove from the test room any test content or notes relating to the test
- tampering with the computer
- leaving the test room without permission

 **ETS TOEIC**

Test of English for International Communication

General Directions

This test is designed to measure your English language ability. The test is divided into two sections: Listening and Reading.

You must mark all of your answers in the answer spaces provided on the screen. For each question, you should select the best answer from the answer choices given. Then, click on the button that corresponds to the letter of the answer that you have selected. If you decide to change an answer, click on the new answer.

12. ...And
again.

ETS TOEIC Bridge Online Test

DO NOT SMOKE

TURN OFF
ALL ELECTRONIC DEVICES

DO NOT USE SCRATCH PAPER

FOLLOW THE INSTRUCTIONS
ON YOUR SCREEN

Continue

13. Click on "Test your sound."

You should hear a voice speaking. If you do not hear anything, adjust your volume or settings until you can hear clearly. Please do this without using headphones, as you will not be permitted to use headphones during the actual test.

Then click "Continue."

Testing the volume

This is a volume test. If you don't hear clearly, adjust the volume controls on your computer or contact your administrator.

Test your sound

When you are finished, click Continue to go on.

Continue

14. You will have the option of going through the entire sample test, which consists of several Listening and several Reading questions. This is not required!

As long as your computer volume works and you did not have any technical problems, you may now exit the sample test if you wish.

Listening Test

This is the listening section of the test. There are three parts to this section.

Continue

You have completed the Sample Code testing process! Your computer should work during the test.
