

AMIDEAST/Lebanon offers diverse opportunities to help interns develop professional experience and skills. Internships are customized to match applicants' talents with our diverse program activities. This flexible program operates year-round, allowing for tailored schedules for students and professionals from all fields.

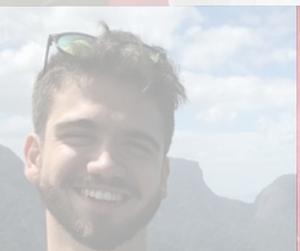

"Interning at such a professional workplace helped me build confidence and enhance my communication skills." Hadi

Internships are available for all programs and services:

- **Training:** workshop logistics and event planning
- **Marketing:** market research and support
- **Entrepreneurship:** research, outreach, and program logistics
- **Scholarships:** student applications, orientation, and activities
- **English Language:** registration, logistics, and proctoring
- **Communications:** print and digital content
- **Administration:** customer service, human resources, and program support
- **Testing:** test registration and client assistance

"I had a fruitful and insightful experience that has helped me develop more soft and hard skills." Dana
